

# Autumn Enrichment Activities

Due : Tuesday, November 16<sup>th</sup>

Name \_\_\_\_\_

Total \_\_\_\_\_

Reading	Math
1. *Read your favorite story to 3 people. List the title, author, characters, setting, and explain why you could read this book over and over again.	13. *Write five addition (some, some more) story problems. Use clue words such as "in all, altogether, total." Have a friend solve them. Check your friend's work.
2. *List 5 common nouns, 5 verbs, 5 adjectives and 5 proper nouns.	14. *Start with 200. Count by 100's to 5,000.
3. *List 10 kinds of candy that you received on Halloween. Write them in ABC order.	15. Get a deck of cards. Play addition or subtraction war with an adult for 15 minutes.
4. *List 10 one syllable words. List 10 two syllable words. List 10 three syllable words.	16. *Weigh a pumpkin. What is the difference between your weight and that of your pumpkin?
5. *Visit a library and check out a book about autumn. Read it. Write a five sentence paragraph about something you learned from the book. Indent!	17. *In a column, write 10 double digit even numbers and then write 10 double digit odd numbers from least to greatest.
<p style="text-align: center;"><b>Science/Social Studies</b></p>	18. *Write 7 pairs of number sentences showing the commutative property of addition.
	19. *List 5 reasons people need to know math.
6. *Name 3 community helpers. Write a sentence to describe how they help our community.	<p><b>Music Art PE</b></p>
7. Read a recipe. Make a dish for a family that is less fortunate than you. Deliver it!	
8. *If you were the principal of Robinson, what would you do to improve the school?	20. *Walk for 20 minutes. Which muscles in your body did you exercise? Make a list
9. * Make a map of your bedroom. Label the furniture.	21. *If you were to run a booth at the hometown Fair next year, what would it be? Describe the activity, prize, and why it would be fun.
10. * Make a list of 3 simple machines your family uses.	22. Try a new sport for 20 minutes.
11. *Make a simple machine. Draw a diagram of it, label its parts and tell what it does.	23. *Go see a movie. Then, summarize the movie in a paragraph. Include characters, setting, problem, and solution. Don't forget to indent.
12. *Every family has rules. List five rules your family expects to follow at	24. Watch a sunset with a family member. Enjoy!
